DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Claims 1– 6 are allowable over the Prior Art of Record because it fails to teach or suggest a coordinate measurement machine comprising an engagement comprising two mutually engageable portions, one on the first part and one on the rotatable member; wherein a first one of said portions of the engagement comprises a holder for holding the other one of said portions in engagement therewith; and wherein the said one of the portions of the engagement on the rotatable member is spaced from the stylus tip in combination with the remaining limitations of the claims.
 - b. Claims 7– 13 and 17 are allowable over the Prior Art of Record because it fails to teach or suggest a measurement device comprising an engagement comprising two mutually engageable portions, one on the movable member and one on the stylus repositioning device; wherein a first one of the said portions of the engagement comprises a holder for holding the other one of the said portions in engagement therewith and wherein the said of the portions of the engagement on the rotatable member is spaced from the stylus tip in combination with the remaining limitations of the claims.

c. Claims 14 – 16 and 18 are allowable over the Prior Art of Record because it fails to teach or suggest a method of re-orientating a measurement device mounted to a coordinate measurement machine, the coordinate measuring machine having a first portion of an engagement; further comprising a second portion of an engagement for mutual engagement with the first portion; one of the two portions of the engagement comprising a holder for holding the other one of the said portions in engagement therewith, the second portion of the engagement being spaced from the stylus tip, the method comprising the steps of moving the first and second parts in order to engage the first and second portions of the engagement and moving the second part relative to the first part in a path centered on the engagement thereby to reposition the stylus relative to the first and second parts in combination with the remaining limitations of the claims.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
